Randy Really Likes The Hustle!

We would like to build a small group to reintroduce this dance to the studio.

This is a partner dance that looks like swing, but isn't, it is danced to contemporary music. A lot of the songs we dance West Coast Swing, you can also dance Hustle.

This dance has a lot of cool styling for the ladies.

We prefer that you already have some dance experience. I am patient if you are. Give it a try.
